KCC Inc Boat Yard Policy

The following policy applies to storage of all craft and gear in the KCC Boat Yard adjacent to and within the KCC Ward Street fenced area and the Sutherland Shire Sailing Club Inc(SSSC) yard. The KCC Boat Yard Storage Policy are the rules determining eligibility and priority to store in the KCC Boat Yards (including SSSC yard) due to limited available storage places.

1. Boat Owner must be KCC Financial Member
2. Boat Yard Fee must be paid up to date
3. The Boat must be sailed regularly at KCC least regular sailed boats are first to be asked to leave)
4. Multihulls have preference over all other craft, including trailers etc
5. One Boat Yard Fee implies one space (i.e. trailer boat(s) must combined only occupy 1 space.)
6. Boats willing to store with mast up (with mast adequately secured including halyards etc tied off to avoid noise) will be given first preference in SSSC yard.
7. Physical security and tie down of Boats Trailers remains the responsibility of the owner.
8. All boats stored must have adequate third party personal and property insurance.
9. KCC reserves the right to evict boats or gear from KCC storage after 30 days, without explanation, if KCC has made reasonable attempts to contact and notify the boat owner.
10. Boat Yard Fees apply from 1st September each year (i.e. when you renew, your boat yard fees will cover you for one year from 1st September). New Members who join mid year and wish to pay yearly will be charged \$1 per day to 1st September or the full yearly fee, whichever is the lesser amount. Paying less than the full amount in this manner does not include Pre-Pay Race Fees.
11. Casual Boat Yard Storage (less than 30 days) is subject to availability and discretion of KCC Executive Committee and must have Commodore, Race Secretary or Assistant Race Secretary approval and is \$10 per week with \$10 minimum. For Casual Boat Yard Storage, no key will be issued or lent and hence casual storage must coordinate entry/exit of boats with the KCC.
12. Boat Owners and other persons store their craft and gear at entirely their own risk. Kurnell Catamaran Club Incorporated, Sutherland Shire Sailing Club and individual Club Members will not accept any liability for loss, theft, material damage or personal injury or death sustained in conjunction with, or prior to, during, or after the storage activity. Also refer to the KCC Disclaimer which additionally applies.
13. Boat Owners and other persons storing craft and gear are responsible for ensuring they lock the gates of the boatyard (and any buildings or other fenced areas, such as the garages of KCC/SSSC and main doors or KCC and side doors of SSSC) if they are the last to leave on a Club sailing day or are the only ones at the Club and are leaving the yards on non Club sailing days (for example when sailing mid week, they should lock the yard/buildings up when they proceed to the beach to rig up).
14. The offer of Boat Yard Storage is strictly limited and Kurnell Catamaran Club Incorporated reserves the right to withdraw the offer of storage in one or more of the boat yards in its entirety at any time. Reasonable attempts will be made to contact all Boat Owner(s), however all Boat Owners will have a maximum of 30 days from the original notice which may be posted on one or more of KCC Notice Boards, KCC Cat Chat, KCC Website or physically on the Boat Yard gates to remove their craft and gear from storage or it will be evicted. Withdrawal of the storage offer in one boat yard DOES NOT automatically entitle Boat Owner(s) to store their craft and gear in the other boat yard.
